

Illinois Soldiers' and Sailors' Home

Surgeon's Office, Sept- 3- 1887

Respectfully returned to Gen. C. E. LIP-
PINCOTT, Superintendent.

I have carefully examined

James Garcy
late Co. C 52 Reg't Ill. Infy
late Co. Reg't

and find him disabled by gun-
shot wound of left
hand, rheumatism
& deformity of back,
he appears to be much
stiffened in the shoulder
from rheumatism &
the neck is affected.
Left hand crippled by
gun-shot wound. There
is very marked later-
al curvature of the spine
the convexity looking
to the right.

R. W. McManan
Surgeon.
