

fit-subject-for ^{the} Soldiers home
If you can get-around this
2 year residence clause in
the application blanks, in any
favorable way I believe the
should be admitted.

for I believe it would be
better to Wain formatives
rather than send him to the
poor house.

Mr Mason has been a man of
steady habits he has lived a
Bachelors life. he has been a
Member of the M.E Church
ever since I have known him
at our time he had some property
but lost it all by signing some
Notes as security for his
Brother in law.

If you can do any thing for
him I wish you would.

he deserves better treatment
than the poor house for he
is an old prisoner of this
State

Very Respectfully
R. A. Gallison

P.S. I have written you another
letter in reference to this matter
of this date
