Hon S B Ray
Lieut Governor Springfield
Ills.

My old Respected Neighbor.
I find I intended seeing you before leaving for Springfield
in reference to obtaining a place for Danl Kennedy a most
worthy and deserving soldier at the Soldiers Home at Quincy
Ills but was detained until to late at my office. But Enclose
his app^t Instead of a formal application which explains
his app^t Mr Kennedy is a most worthy deserving man
and in destitute circumstances. One of those Proud
Spirited men who like many others would not ask
the the U.S. Government for a Pension as long as he was
able to earn a support or had other means of support
of course we do not want you do anything inconsistent
with your duties as a Public officer. Knowing well you
would not. But anything you can do in his behalf
as a friend to a poor deserving soldier would be appreciated
By us. Please let me hear from you. If a Permit
can be obtained Please send direct to me.

Very Respy yours
N^C McBride
