Dear Sir

I rec'd your Telegram
of Feb 25 informing me of the death
of William Wood he has made
his home with me for about 40
years when he left here about
three weeks ago he had over
\$40.00 in money a Silver Watch
& Chain a valise full of clothes
if it is not a Burse with your
home to return such things
I wish you would send them
to me as I am acquainted with
no other relatives of his

Respectfully yours
